Comments on these applications may be lodged with the Registrar of Mines (PO Box 672, Burnie, TAS 7320).

Any person holding a mineral tenement, or claiming an estate or interest in respect of any land within an application area may [lodge a formal objection](#) to the granting of that application. Each objection must be in writing and lodged with the Registrar of Mines prior to 17 October 2020. The objection form must be accompanied by the prescribed fee of \$45.36.

For further information in relation to the application, including the effect on private land within an application area, please phone the Registrar of Mines on (03) 6477 7097. Calling the Registrar prior to lodging an objection is recommended in order for the process, and possible outcomes, to be fully explained.
