Recommendation to Grant EL22/2020 - Lake River

The Director of Mines intends to recommend to the Minister for Resources that he grant the following exploration licence:

Reference No: EL22/2020

Area: 12km²

Vicinity: [Lake River](#)

Category of Mineral: 1 - Metallic Minerals, Atomic Substances

Applicant: Green M L and Donaldson Holdings Pty Ltd.

ACN: 009 555 882

Address: 4 Westringa Road, Fern Tree, TAS 7054

The application excludes existing mining leases, National Parks and reserved or other lands exempted from the Mineral Resources Development Act 1995. If the licence is granted, consent is required from Mineral Resources Tasmania prior to any exploration activity taking place. An explorer must provide 14 days notice prior to accessing private land. Security deposits are held against licence in the event that the explorer fails to meet their rehabilitation obligations. Comments on this application may be lodged with the Registrar of Mines (PO Box 672, Burnie, TAS 7320).

Any person holding a mineral tenement, or claiming an estate or interest in respect of any land within an application area may [lodge a formal objection](#) to the granting of that application. Each objection must be in writing and lodged with the Registrar of Mines prior to 19 March 2021. The objection form must be accompanied by the prescribed fee of \$45.36.

For further information in relation to the application, including the effect on private land within an application area, please phone the Registrar of Mines on (03) 6477 7097. Calling the Registrar prior to lodging an objection is recommended in order for the process, and possible outcomes, to be fully explained.
