Figures to accompany Mineral Resources No 1 Tungsten and Molybdenum Part III King Island. Figures to be printed separately: each reduced slightly, only sufficiently to enable each figure to be printed on one report page without folding. Titles as indicated to be printed. Figures to be bound in report.

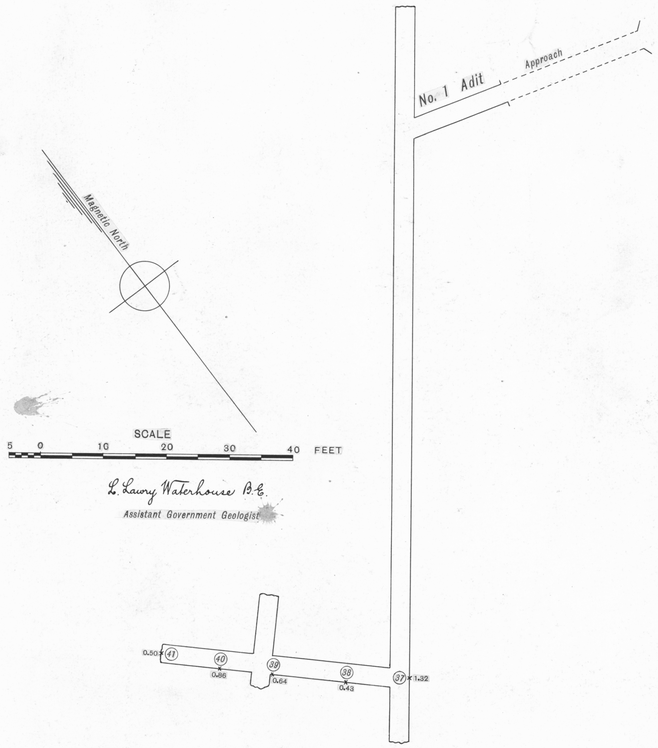

Fig. 1.- Assay Plan of No 1 Adit showing tungstic acid percentages.

[Title to be printed below Fig 2 when reduced slightly]
Fig. 2.- Assay Plan of No 2 Adit showing tungstic acid percentages.

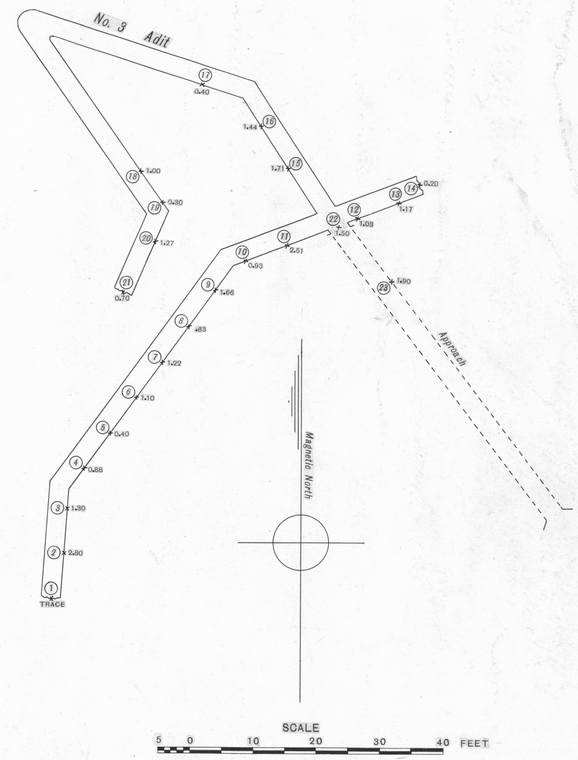

Fig 3.- Assay Plan of No 3 Adit showing tungstic acid percentages.
