If the licences are granted, consent is required from Mineral Resources Tasmania prior to any exploration activity taking place. An explorer must provide 14 days notice prior to accessing private land. Security deposits are held against each licence in the event that the explorer fails to meet their rehabilitation obligations. Comments on these applications may be lodged with the Registrar of Mines (PO Box 672, Burnie, TAS 7320).

Any person holding a mineral tenement, or claiming an estate or interest in respect of any land within an application area may [lodge a formal objection](#) to the granting of that application. Each objection must be in writing and lodged with the Registrar of Mines prior to 16 July 2021 (EL19/2020 and EL10/2020), 2 July 2021 (EL21/2020), 25 June 2021 (EL15/2020, EL16/2020, EL17/2020, EL18/2020 and EL20/2020). The objection form must be accompanied by the prescribed fee of \$46.20.

For further information in relation to the application, including the effect on private land within an application area, please contact the Registrar of Mines on (03) 6477 7097. Calling the Registrar prior to lodging an objection is recommended in order for the process, and possible outcomes, to be fully explained.
