Information

The purpose of this form is to collect data on past, and proposed, exploration expenditure and activity. The information requested is collected under the authority of the *Mineral Resources Development Act 1995*. The information will be used to measure and monitor exploration activity in Tasmania. Your completed form remains confidential to Mineral Resources Tasmania (MRT). MRT may quote amalgamated data for reporting or statistical purposes, but will not publicly reveal information if it can be related to a specific client.

Instructions

- Please give details of exploration expenditure in the categories provided.
- Report all expense items **exclusive of Goods and Services Tax (GST)** where this is recoverable as an input tax credit.
- Please report all monetary values in **whole dollars**.
- If work is undertaken on more than one tenement, a separate form is required for each.
- If exploration was carried out by a company or person(s) other than the tenement holder, the form may be sent to and completed by them.
- Supporting evidence should be attached to this form if insufficient space is available.
- Please complete and sign this form and return it by the licence anniversary date to:

Director of Mines, PO Box 672, Burnie, Tasmania, 7320
