Been deregistered by the Australian Securities and Investment Commission or has been deregistered within the last five years? Yes No

6. Evidence of financial capacity to meet the expenditure requirements of the licence or lease

Proof of ability to fund the exploration or mining activity is required. The applicant is to supply details of the financial resources available to them. All companies should attach their most recent audited financial report to the Australian Stock Exchange (for No Liability companies, this will be your most recent quarterly report. For Limited companies, this will be your most recent half-yearly report), as well as providing details in the space provided.

Companies with net assets **over** \$50 million which submit their most recent audited financial report do **not** need to provide details in the space provided.

All other applicants **must** provide details in the space provided.

You must answer on each line and state 'not applicable' if it is not applicable. You must attach evidence of the availability of each resource, and signed authorisations from guarantors if applicable. **Acceptable** resources are listed below. **Unacceptable** resources include unlisted shares, personal or investment property, fixed assets and accounts receivable or other debts.

In assessing your financial capacity, the Department compares your 'Assets' against your 'Obligations' to establish your net assets which are measured against the required expenditure for the first **two** years, i.e. the net assets must meet or exceed the required expenditure.

Note: The Department reserves the right to pursue whatever information that is necessary for the Minister to be satisfied that the applicant meets the requirements of Section 14(4)(d) of the Mineral Resources Development Act 1995.

All information relating to financial details must be no older than six months at the time the information is submitted.
