

Layered orthopyroxene-rich sequence

Layered olivine-rich sequence

Sheared serpentinite after olivine-rich sequence with overlying lateritic ironstone

Zone of disrupted orthopyroxene-rich sequence intruded by olivine-rich sequence

Dip and strike of layering in orthopyroxene-rich sequence vertical

Dip and strike of layering in olivine-rich sequence vertical

Dip and strike of cleavage in sheared serpentinite, vertical

Axis and direction of plunge of minor fold

Gabbro

Zone of irregular pods and stringers of gabbro in orthopyroxene-rich sequence

Zone of irregular pods and stringers of gabbro in sheared and serpentinitized olivine-rich sequence

Chrome-rich zone in olivine-rich sequence

Alluvium
