No 151 W.
Water Right from Black
Creek to Nuggett Tin Mining
Company's Race.
Nugget Tin Mining Company
applicant, M L Act.

Notice posted as shown on diagram.

The water right does not encroach
on any land occupied by other than
the applicants, so far as I can
ascertain, and interferes with no
other work connected with mining

The Welles Company, I believe, hold
a water right from Black Creek
at a lower point than that
from which the Nuggett Company
divert the water into their main
Race; and, ^{this former Company} will probably demand
that the quantity to which they
are entitled shall be allowed to
pass when required by them.
