FROM
DAVID JONES,
DISTRICT SURVEYOR.

Waratah, Tas.,
March 12th 1917

The
SURVEYOR-GENERAL,
Hobart.

Sir,
I have the honour to forward a Report upon a Section applied for under
the Regulations of the Mining Act, 1905, 5 Ed. VII., No. 23.

County of Russell
 Vicinity of Heazlewood
 Applicant The Magnet (Vic.) S. M. Co. N. L.
 Length 13268.4 No. 1761

- Report :-
- 1 No part of this Tramway easement passes over or encroaches upon any land occupied by or belonging to any person other than the Applicant, and this is laid off in accordance with the Mining Act 1905.
 - 2 Does not encroach upon any Public Road, Water Right, or work connected with Mining.
 - 3 This Tramway when constructed will pass along the track from Heazlewood to the Magnet (Vic) Mine.
 - 4 A reservation of 50 links should, in my opinion, be sufficient for this Tramway, that is 25 links on each side of the proposed line.

I have the honour to be,
 Sir,
 Your obedient Servant,
David Jones
 District Surveyor.
