

# SURVEYOR'S REPORT.

County of CORNWALL

Vicinity of Georges Bay

Name of Applicant Siamese Tin Syndicate

No. 2656 (deviation) Area 16R  
W (survey)

(a) (See report with original plan)

(b) "

(c) This plan is of the deviation of last portion of 16R of 2565 plan of which has already been deposited. The water is to be taken in an open channel as far as station (41) thence in pipes to applicant's section. Charge for traverse of pipe column is not included in account as this work was laid out privately for applicants. The construction of race channel was nearly completed at time of survey.
