# Surveyors Report

County of Dorset  
Vicinity of Wyndford River  
Name of applicant - J. W. Whitmore

No 2779  
W

W.R.

This Water Right, <sup>connects</sup> with main race W.R. No 2776 and no separate survey was necessary, the intake being shown on plan of that race.

The applicant states that the 3 acre dam site applied for is not now required and that the fees paid for this survey can be used towards balance due on traverse of W.R. No 2776.

Glaupbell Smith  
District Surveyor  
27/9/33

at Hurst Estate  
Secretary for Lands
