## SURVEYOR'S REPORT

17M  
60

4,047 H.A.

1. Posted notice on 1.0 x .05 diameter steel post, at the south-western corner. There were no lines of stones or trenches in any direction.
2. The Applicants were not requested to attend on site.
3. No water rights, public roads or reserves existed on the lease at the time of survey, to my knowledge.
4. An old gravel road runs through the lease and appears to be of use to leases to the east and it may be desirable to reserve this road.
5. No other matter was considered of importance.
