SURVEYOR'S REPORT

2W 2.0 H.A. AND PIPELINE EASEMENT
71

1. No posted notice was found to relate to this mining lease. The location of same, however, was verified on site by Mr. L.J. Singleton.
2. The location of the pipeline easement differs quite substantially from the location shown on the Department's Sketch. The location required however was pointed out by Mr. Johnson's agent, Mr. L.J. Singleton, to be in that position that it generally follows the old road from the dam site to Mr. Johnson's lease, as surveyed.
3. No water rights, public roads or reserves existed on the area surveyed at the time of survey, to my knowledge.
4. No other matter was considered of importance.
