

GEOLOGICAL SKETCH MAP.

APSLEY RIVER AREA.

C.A. BACON.

Geology by

CONTOUR INTERVAL 20m

LEGEND.

TRIASSIC

Lithic arenite

Sub-lithic arenite

Tuff

Mudstones, siltstones

Fine grained quartz arenite

Coarse grained quartz arenite.

IGNEOUS.

JURASSIC

Dolerite

DEVONIAN

Granite

Geological boundaries.

———— Position accurate

----- Position approximate

-?-?-?-? Position inferred.

Faults.

———— Position accurate

----- Position approximate.

Drill hole (Gy = Shell Company, L = Mines Department)

APPENDIX 1

AMG references of boreholes in the Apsley River Area.
