MEMORANDUMTRIP FROM HOBART TO WHIRLPOOL REACH  
AND RETURN10th October, 1957

Picked up renovated caravan from Mr. Rust, Austins Ferry at 8 a.m. and set off for Launceston. Fan belt thrown near Melton Mowbray. Replaced but wouldn't stay in position. Kept going with frequent stops to fill radiator till arriving at Otlands and getting new one fitted.

Arrived Whirlpool Reach at 2.30 p.m. Met T. Hughes and D. Hardman and looked over drill sites.

Left for Hobart at 3 p.m. and arrived at 6 p.m.

(K.L. Evans)

SUPERINTENDENT OF DRILLING

The Director of Mines,  
HOBART.
