4"	Pit bored	40 ft 6"	
3"	" (No 25)	169' 8"	
3"	" (No 29)	not used	

This rock gets softer when exposed to the atmosphere

Country very much broken up.

Rec word from Lie Colonel no man boring deeper. Mr Ott decided to bore hand spade. Fractured one outside stone in pulling rods out stone caught on something in side of bore probably a small piece of loose rock.
