

HOLE NO. UN001 COLLAR NORTHING 562218.8 EASTING 567940.1 RL 732.51

PAGE 1 OF 1

AZIMUTH 055 MAG DIP -61 LOGGED 9/5/96 BY TEA

CORE SIZE BQTK

PURPOSE To Test Au. Mineralisation below LNA Adit #1 (Local Section 20)

DRILLED BY ATD

No Core	0.50																
1.70	2			med fine	massive	-	-	ss?	light grey						177cm		siliceous sandstone, siliceous weathering, siliceous grains; fragments of fossiliferous sandstone
3.10	3			fine	sampled	50-70	-	200 siltstone	dark grey						178cm		2.5' (10cm) siliceous sandstone, siliceous weathering, siliceous grains; fragments of fossiliferous sandstone
4.70	4			med fine	well bedded, fine laminated	60	-	2.5' bedded dark grey siltstone	dark grey						179cm		2.5' bedded dark grey siltstone, siliceous weathering, siliceous grains; fragments of fossiliferous sandstone
6.10	5			fine	well laminated	70	-	well laminated fine siltstone	light grey						180cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
7.70	7			fine	well laminated	70	-	well laminated fine siltstone	light grey						181cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
9.70	9			fine	well bedded	70-75	-	well laminated siltstone	dark grey						182cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
10.7	10			fine	well bedded	70-75	-	well laminated siltstone	dark grey						183cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
12.10	11			fine	well bedded	70-75	-	well laminated siltstone	dark grey						184cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
13.70	12			fine	well bedded	70-75	-	well laminated siltstone	dark grey						185cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
15.70	13			fine	well bedded	70-75	-	well laminated siltstone	dark grey						186cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
16.70	14			fine	well bedded	70-75	-	well laminated siltstone	dark grey						187cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
18.70	15			fine	well bedded	70-75	-	well laminated siltstone	dark grey						188cm		6.20 contact bedded. Contact zone 20cm. Well laminated fine siltstone & some subbeds of dark grey siltstone.
