Finalised Daily Total: 8.6200
Finalised Cumulative Total: 302.1200
% Completed: 86.0
Remainder: 49.0500

Comments:

Morning toolbox meeting.

Completed heights on BB finalising line.

Nothing to do because of waiting for clearance on AA's and BH so we checked the pegs on BB because it had been so long since they were originally pegged in case the crew did the southern end of BB after BA.

Traffic crew went on standby for the afternoon while Ben visited problem spots on BH and AA1 with Geoff and John.
