

Appendix 3

Site photos of MT survey
(digital only, CD inclusion)

SEL 57/2008

Annual Report 2010

Shots from the 2009 MT survey.

As the survey crew were constantly busy installing and uplifting stations not many photos were taken for this part of the survey. Location: Cressy, Connorville. More images are contained on the CD inclusion.

Plate 1: MT recording unit

Plate 2: Site before any digging took place.
