RE: REVOCATION OF EXPLORATION LICENCE 14/2009

Dear Minister,

I refer to your letter of 13 July 2011 regarding your intention to revoke Exploration Licence 14/2009 in Central Tasmania.

I note in your letter that the reason for your proposed action is as follows:

'...the agreed exploration program, for the first year of the licence, consisting of the drilling of the Bellevue 1 well to a depth of 2,800m has not been undertaken by the end of the first year of the licence, being 16 May 2011.'

Your letter states that before you make any final decision to revoke the licence, that you will consider any submission Great South Land Minerals Ltd (GSLM) wish to provide you within 14 days from the date of your letter (13 July 2011).

GSLM requests that you consider the attached submission. A formal meeting in this matter is also requested. GSLM require a reply at your earliest convenience to facilitate the continuation of the agreed work program.

Yours sincerely,

Malcolm Bendall (FAICD)
CEO Great South Land Minerals Ltd &
CEO Empire Energy Corporation International

Encl. Submission not to revoke EL14/2009

CC: Director of Mines
