Permit No. SO05/12

Great South Land Minerals Ltd
GPO Box 1603
HOBART TAS 7000

Attention: Paul Heath

Dear Mr Heath

*THIS PERMIT AUTHORISES **GREAT SOUTH LAND MINERALS LTD OR AGENT** TO CARRY OUT WORKS WITHIN THE STATE ROAD RESERVATIONS, AS SET OUT BELOW, SUBJECT TO THE REQUIREMENTS OF THE ROADS AND JETTIES ACT 1935 AND OTHER CONDITIONS SPECIFIED ON THIS PERMIT.*

PERMIT HOLDER'S CONTACT DETAILS: Paul Heath – Phone: 0428 205 650

PERMIT REQUIREMENTS: Traffic management for road safety for when Terrex Seismic use Tasmanian roads during the proposed seismic survey in 2012.

SERVICES WITHIN ROAD RESERVATION

ROAD: Gordon River Main Road **NO.:** A1727 **LINK/CH:** Links 06/12/19/27/36 and 43

LOCATION: Gordon River Main Road - Macquarie Plains

SPECIAL CONDITIONS OF PERMIT

1. No work to take place on Link 06 on 18 February 2012 (Bushy Park Show).
2. This permit relates strictly to the installation of Traffic Control devices and Advisory signage only. The permit holder will be responsible for obtaining all necessary approval(s) from State Government agencies, Commonwealth Agencies or Local Government.

As per your traffic plan dated 18 January 2012.

Please Note: Should the works identified in this permit proceed all conditions are deemed to be accepted by the permit holder.

CONDITIONS OF PERMIT

- a) The works within the reservation are to be carried out such that at least one clear lane is open to traffic at all times. Traffic management shall be in accordance with Section G3 of the Department's "Standard Specification for Roadworks" (available on the Department's web-site at <http://www.transport.tas.gov.au/road/specifications>) which also refers to the Department's "Traffic Control at Work Sites" Code of Practice. The latter document is available on the web-site at http://www.transport.tas.gov.au/road/traffic_control_at_work_sites_-_codes_of_practice. Typical examples are shown in the relevant Australian Standard field guide. All traffic control must be performed and certified by accredited traffic control personnel. All works within the road reservation must also comply with all relevant Occupational Health and Safety Regulations.

- b) Please note: The Department requires seven (7) days notice prior to any commencement of works within the State Road Reservation.
- c) The permit holder will save and keep indemnified the Minister administering the *Roads and Jetties Act 1935*, against all or any costs, claims, proceedings and demands whatsoever and by whomsoever, arising out of or in respect of the works undertaken in the State Road Reservation.
- d) The permit holder will be responsible for obtaining all necessary approval(s) from State Government agencies, Commonwealth Government agencies or Local Government for the works within the State Road Reservation, including those relating to environmental, cultural, flora, fauna and heritage matters.
- e) **Using the attached "Advice of Completion of Work" form the permit holder will notify the Department when all works have been completed.**
- f) This permit is current for **nine (9) months only** from the date of issue. A further permit is required if works are not completed within the period specified or if additional works are intended.

The Department's supervisors or contractors may conduct audits for your compliance with these requirements.

Please sign and return the attached permit agreement with an indicated date of commencement of the proposed works. **This permit shall be valid only upon receipt of the agreement**, and any queries regarding the conditions of the permit should be referred to the above Officer.

Yours sincerely

Simon Buxton
Director Traffic and Infrastructure

For and on behalf of

David O'Byrne MP
Minister for Infrastructure

7 February 2012
