

East Stitt IP survey
50m dipole-dipole
(Pasminco 1998)

Vertical model sections for line
53 70000 N

Model recalculated 2011 to included effect of topography

Scale 1:2500
25 0 25 50 75
metres

coordinates are AGD66 datum, AMG zone 55
heights are derived from Lidar topography
