

East Stitt IP survey  
50m dipole-dipole  
(Pasminco 1998)

Vertical model sections for line  
53 70800 N

Model recalculated 2011 to included effect of topography

Scale 1:2500  
25 0 25 50 75  
metres

coordinates are AGD66 datum, AMG zone 55  
heights are derived from Lidar topography
