

The image shows a geological map of the Burns Peak area, featuring a grid of 10 columns (A-J) and 10 rows (1-10). Each cell contains a proportional plot of soil geochemistry data, specifically for Copper (Cu) and Zinc (Zn). The plots are labeled with 'Cu' and 'Zn' and show various patterns of distribution. A scale bar at the bottom indicates distances from 0 to 1000 meters. A north arrow is located in the bottom right corner. The map is titled 'PASMINCO EXPLORATION' and 'A Division of Panminco Australia Limited'.
