

List of Alpine core held by MRT.

The screenshot shows the Mineral Resources Tasmania (MRT) website. The header includes the Tasmanian Government logo and the title 'Mineral Resources Tasmania DEPARTMENT of STATE GROWTH'. The navigation bar has links for Community, Exploration and Mining, Geoscience, and Products and Services. The main content area is titled 'Drill Holes Search' and includes a search bar with the keyword 'Alpine'. A dropdown menu shows search results for 'Alpine', including 'Starting with "Alpine" (Alpine)' and 'Containing "Alpine" ("Alpine")'. The search results list includes identifiers such as AP013 Alpine, AP014 Alpine, AP015 Alpine, AP017 Alpine, AP018 Alpine, AP019 Alpine, AP020 Alpine, AP021 Alpine, AP08A Alpine, AP10 Alpine, AP11 Alpine, AP12A Alpine, AP3 Alpine, AP4 Alpine, AP5 Alpine, AP6 Alpine, AP7 Alpine, and AP8 Alpine. The page also features a sidebar with links to 'home', 'Drill Holes Search', 'core library', 'geoscience maps', 'map viewer', and 'database search'.
